

DON'T FLUSH

The following items don't break down and will clog sewer pipes when flushed. Even "flushable" versions of these items can cause sewer overflows.

✘ Medications

✘ Bandages

✘ Cat Litter

✘ Disposable Wipes

✘ Cotton Swabs

✘ Dental Floss

✘ Diapers

✘ Paper Towels

✘ Sharps

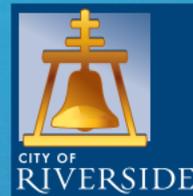

For easy steps on how to properly dispose of medication and sharps, please visit riversideca.gov/pworks

WHAT ARE YOU FLUSHING?

Please dispose of waste properly. Only human waste and toilet paper should go down the toilet. When other items are flushed down the toilet, sewer overflows can occur. Sewer overflows can cause health problems, property damage and threaten the environment.
