**TO:** All New Construction, Existing Construction  
and Tenant Improvements

**FROM:** Environmental Compliance Section  
**City of Riverside, Public Works Dept.**

**SUBJECT:** **Water Softening Systems,  
Riverside Municipal Code, Chapter 14.12.245**

**14.12.245 WATER SOFTENING WASTES.** It is unlawful to install, repair, replace, or enlarge apparatus for softening all or any part of the water supply to any premises when such apparatus is an ion-exchange softener or demineralizer of the type that is regenerated on the site of use, with the regeneration wastes being discharged to the ground, storm drain or the **City** sewerage systems.

This section shall not apply to apparatus of the type that is regenerated off-site by a water conditioning company.

A person installing or operating a legal water-treating apparatus of any kind shall make such apparatus accessible to the Director for inspection at all times and shall make such reports relative to such apparatus as the Director may require.
