(Between Central and Arlington Aves.)

Sample Container

It's unlawful to put medical sharps such as hypodermic needles, lancets, pen needles etc. into curbside collection recycle or trash containers.

Sharps must be inside a sealed container, such as a sharps disposal container or a hard-sided PLASTIC container such as a bleach or laundry detergent bottle with a secure lid. Containers must have a label that states "Biohazard". For more information and downloadable labels visit: riversideca.gov/publicworks/trash/HHW-sharps.asp
