WHY NEIGHBORHOOD WATCH?

- Neighborhood Watch is a crime prevention program which enlists the active participation of citizens, in cooperation with the Riverside Police Department, to reduce the crime in their communities.
- There can't be a police officer on every corner, every minute of the day, so citizen involvement is essential.

WHAT IS NEIGHBORHOOD WATCH?

- ⇒ Neighborhood Watch Groups serve as extra eyes and ears for law enforcement agencies and for their neighbors. The goal is to create an environment where people care about each other and their community.
- ⇒ Neighborhood Watch involves neighbors getting to know each other and working together in a program of mutual assistance. Citizens are trained to recognize and report suspicious activities, as well as utilize crime prevention techniques like home security and Operation Identification to enhance safety.
