Armor car employee robbed at gunpoint

Riverside, CA – On Monday, December 14, 2009, at approximately 1151 hours, Riverside Police Department Communications Center received a call of an armed robbery that just occurred in the parking lot of the 6300 block of Magnolia Avenue in Riverside. Officers responded to the scene and discovered an armor car employee had been robbed at gunpoint as she exited the bank and was making her way back to the armor car. The suspects took an undisclosed amount of currency from the armor car employee and fled in a white Jeep Cherokee that was found unoccupied a short time later in the area.

The two suspects that approached the armor car employee were wearing masks, however based on facial features that could be seen, it is believed that the two suspects are possibly adult white males. The third suspect who drove the Jeep could not be identified as to race or age.

The suspects never entered the bank and no one was injured during the robbery. All three suspects are still outstanding.

Anyone with information regarding this incident is asked to contact Detective Rick Cobb at (951) 353-7135.
