

Attachment B: MILITARY EQUIPMENT FISCAL IMPACT

The following constitutes a list of qualifying specialized equipment currently available for use by the Riverside Police Department, deemed to be “Military Equipment” under Section 7070 of the California Government Code.

It is understood that manufacturers, models, model numbers, and equipment pricing are constantly subject to change without notice. While efforts have been made to produce an accurate accounting for the fiscal impact of RPD equipment that falls under Govt Code 7070, these details are subject to change and this list may not be updated accordingly throughout the year. Further, maintenance and replacement costs are estimated, but may be higher or lower than actual cost.
