

Bee Windsock

Materials

1. Body: One 8.5"x11" sheet of Yellow Card Stock or Construction Paper
2. Stripes: One 8.5"x11" sheet of Copy Paper. Two options available for print (or draw your own):
 - a. Option 1: Pre-filled stripes
 - b. Option 2: Blank stripes to color in
3. Wings: One 8.5"x11" sheet of copy paper for 2 wings
4. Antennae: Two Pipe cleaners / Chenille stems or Straws or other materials
5. Handle: One 1"x12" sheet of construction paper
6. Bottom: Four strips of Tissue Paper or crepe paper 2"x12"
7. Various Materials you have on hand to decorate wings
8. Eyes: googly eyes or pens/crayons to draw a face

How to make Bee Craft

Step 1: Select either Option 1 or 2. Print your choice then cut out the bee stripes from the template.

Step 2: Cut out 6 strips of 12- inch crepe or tissue paper in the color of your choice. Glue them along the bottom of a piece of cardstock or construction paper.

Step 3: Wrap Two Pipe cleaners around your finger to curl the ends. Tape the antennae at the top of the bee

Step 4: Glue googly eyes or draw eyes on your bee. Then Draw a smile.

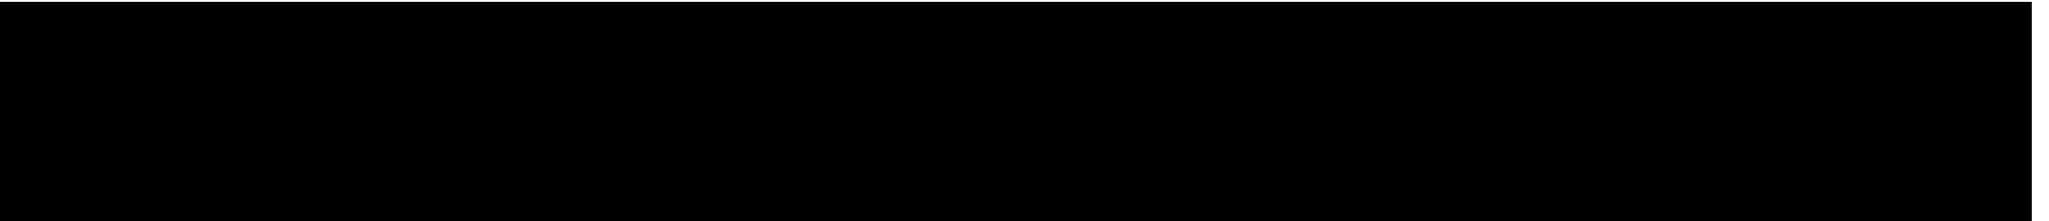

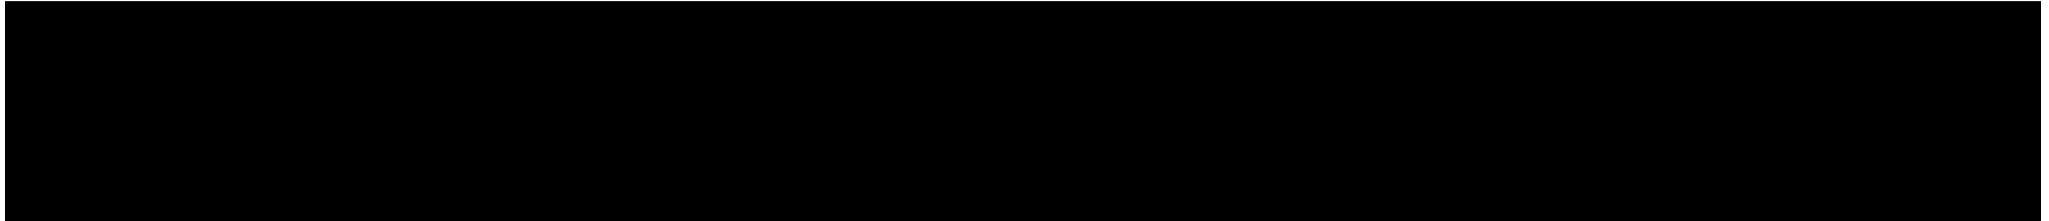

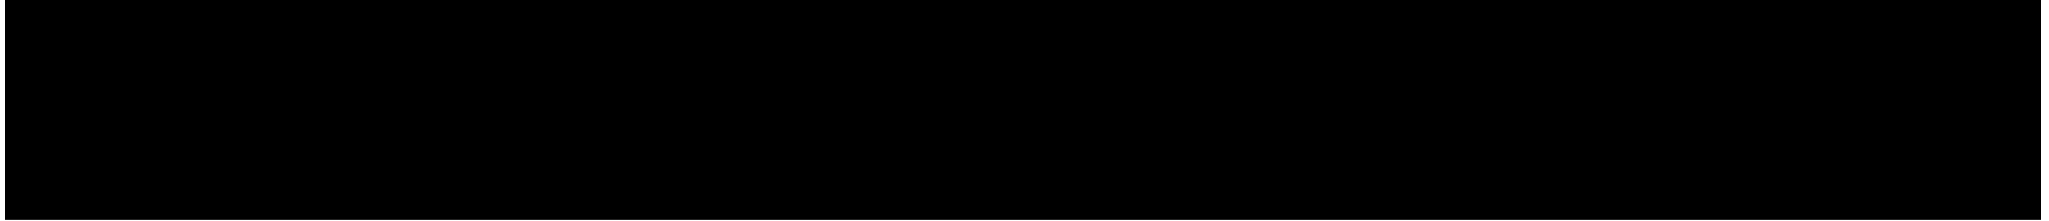

Step 5: Bend your bee into a circle, connect the ends together with glue, tape, or staples.

Step 6: Place the two bee wings together. Add a generous amount of glue on the ends of each wing. Place your bee in the center of the wings to glue the wings down.

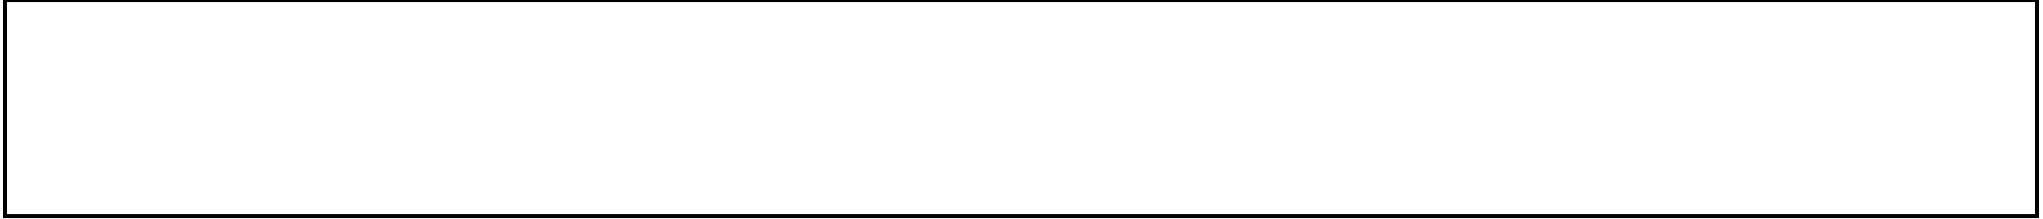

Step 7: Cut a strip of construction paper for the handle. Glue paper strip and attach it inside of the top of the bee for a handle.
