

## **BACKGROUND**

In February of this year, the U.S. Congress passed the American Recovery and Reinvestment Act of 2009 (ARRA) which included an allotment of \$1.5 billion for communities to provide financial assistance and services to prevent individuals and families from becoming homeless or help those who are experiencing homelessness to be quickly re-housed and stabilized. The ARRA legislation designated the funding to be administered by the Department of Housing and Urban Development (HUD) and allocated to entitlement communities according to the formula used for the Emergency Shelter Grant (ESG) program.

On March 19, 2009, HUD released a Notice of Allocations, Applications, Procedures, and Requirements for Homeless Prevention and Rapid Re-Housing (HPRP) Grantees under the ARRA. In order to receive these funds, grantees are required to submit a Substantial Amendment to their Consolidated 2008/2009 Annual Action Plan. Upon HUD's approval of the City's HPRP Substantial Amendment Application, the City of Riverside will receive \$1,383,070 for homeless prevention and rapid re-housing assistance for eligible homeless and at-risk households. The ARRA legislation requires grantee communities to use 60% of the HPRP funds within two years and 100% within three years of the date that funds become available to the grantee.

Per HUD guidelines, "the purpose of the HPRP funding is to provide temporary financial assistance and housing relocation and stabilization services to individuals and families who are homeless or would be homeless *but for* this assistance." HPRP funding cannot be used to pay for emergency shelter operations or to pay for mortgage assistance.

### ***HUD HPRP Guidelines***

#### HPRP Target Populations:

- Individuals and families who are currently in housing but are at-risk of becoming homeless and need temporary rent or utility assistance to prevent them from becoming homeless or assistance to move to another unit (prevention).
- Individuals and families who are experiencing homelessness (residing in emergency shelter or transitional housing or on the streets) and need temporary assistance in order to obtain and retain housing (rapid re-housing).

#### HPRP Eligibility Criteria:

- Have household income at or below 50 percent of the Area Median Income
- Have an initial consultation with a case manager or other authorized program representative
- Have no appropriate subsequent housing options identified
- Lack the financial resources and support networks needed to obtain immediate housing or remain in existing housing

#### HPRP Eligible Activities:

- Financial Assistance
- Housing Relocation and Stabilization Services
- Data Collection and Evaluation
- Administrative Costs (5%)

Funding provided to the City of Riverside under the HPRP grant shall be used to expand the City's existing homeless prevention and rapid re-housing initiative. The attached HPRP Implementation Summary (Exhibit "A") outlines the City's strategy for the effective and timely use

of the HPRP grant funds.

The HUD Action Plan amendment process includes a requirement for inviting public comment. The HPRP Notice reduces the traditional requirement for a 30-day public comment period to no less than 12 calendar days for this Substantial Amendment. Development Department staff issued a public notice announcing the proposed Substantial Amendment to the 2008/2009 HUD Annual Action Plan which published in the Press Enterprise on Thursday, April 30, 2009 and provided for public comment through May 11, 2009, as required by HUD.

### ***HPRP Estimated Budget Summary***

HUD is not requiring grantees to submit a comprehensive budget for the planned use of HPRP funds at this time. Below are preliminary estimated budget amounts for the various HPRP activities based on suggested formulas provided by the National Alliance to End Homelessness and initial discussions with HACR.

<b>HPRP Estimated Budget Summary</b>			
	<b>Homelessness Prevention</b>	<b>Rapid Re-housing</b>	<b>Total Amount Budgeted</b>
Financial Assistance	\$345,767	\$318,108	\$663,875
Housing Relocation and Stabilization Services	\$331,190	\$331,191	\$622,381
<b>Subtotal</b>	<b>\$676,957</b>	<b>\$649,299</b>	<b>\$1,286,256</b>
Data Collection and Evaluation			\$27,661
Administration (up to 5% of allocation)			\$69,153
<b>Total HPRP Amount Budgeted</b>			<b>\$1,383,070</b>

### **FISCAL IMPACT**

There is no fiscal impact to the General Fund. Any costs to the City associated with the HPRP program will be covered by the HUD grant funds.

**City of Riverside  
Homeless Prevention and Rapid Re-Housing Program (HPRP)  
Implementation Summary**

Funding provided to the City of Riverside under the HPRP grant shall be used to expand the City's existing homeless prevention and rapid re-housing initiative. In 2006, the Riverside City Council allocated funding to establish a Tenant-Based Rental Assistance (TBRA) program to help address the need for permanent housing solutions for individuals and families that are homeless or on the verge of homelessness in the City of Riverside. The City's TBRA initiative provides homeless prevention and rapid re-housing assistance to eligible households including move-in costs and/or short-term rental subsidies coupled with home-based case management to facilitate housing stability. With the addition of the HPRP funding, the TBRA initiative will be expanded based on the following program goals:

- Prevent people living in the City of Riverside from becoming homeless
- Divert people who are seeking shelter into more appropriate housing options
- Help people who become homeless to quickly move into permanent housing

The City currently contracts with the Housing Authority of the County of Riverside (HACR) to operate the TBRA initiative utilizing federal HOME and CDBG funding to implement program strategies modeled upon the nationally recognized "Housing First" best practice model. HACR is uniquely qualified to assist the City with providing low-income households with temporary financial assistance and related housing stabilization services. HACR provides the fiscal and programmatic infrastructure to work with the City to incorporate HPRP funds into an expanded TBRA initiative in a timely and effective manner and to leverage other federal housing assistance programs (Shelter Plus Care, Section 8, etc.) to assist at-risk and homeless households with attaining housing stability.

The County of Riverside Economic Development Agency is proposing to allocate HPRP funds (\$4.2 million) to HACR in order to expand upon the City's TBRA/Housing First initiative and replicate it countywide. With the addition of the new HPRP funding, the City will work in partnership with HACR to build upon and expand the TBRA/Housing First initiative incorporating new and increased activities based on HPRP eligible activities in the following area:

**Financial Assistance**

- Flexible Financial Assistance including payment of rental arrears, utility assistance, moving costs, security deposits, and motel/hotel vouchers (only when rental housing has been identified but is not immediately available for move-in)
- Temporary Tenant-Based Rental Assistance to facilitate housing stability for eligible households with short-term (1-3 months) and medium-term (4-18 months) rental subsidies

### **Housing Relocation and Stabilization**

- Community Outreach and Education - to promote availability of resources and help identify people in target populations most at-risk
- Homeless Risk/Housing Barrier Screening and Assessment - to assess household risk of homelessness, strengths and barriers to stable housing, and prioritize interventions
- Housing Identification and Placement - to identify housing opportunities, recruit landlords, help households overcome barriers to placement, assist with rental applications and lease negotiations, and conduct housing quality inspections
- Housing Case Management - to facilitate housing stability through transitional support including development of Housing Self-Sufficiency Plans, life skills counseling, maintaining tenant/landlord relations, and supportive service linkage
- Supportive Service Coordination - to facilitate linkage to community-based services to support housing stability including employment assistance, mainstream benefits, behavioral health, medical care, and child support services

### **Data Collection and Evaluation**

- Data Collection and Evaluation - to facilitate the collection, reporting and evaluation of performance outcome measurements and linkage to the countywide Homeless Management Information System (HMIS).

### **Administrative Costs**

- Administrative Costs - to account for the use of grant funds, prepare reports for submission to HUD and other costs related to administering the grant

The City will work with HACR and our Riverside Homeless Care Network partners within the local continuum of care to develop a comprehensive plan for the expansion of the TBRA/Housing First initiative which will include specific timeframes, milestones, and performance outcomes for the effective and timely use of HPRP grant funds. The plan will include operating the program from a centralized service location, establishing a well-coordinated community-wide system for accessing HPRP funded assistance and services and creating a uniform process for determining who will receive assistance and what kinds of assistance they will receive. As the plan is developed and implemented, additional subcontractors may be identified to perform specific activities outlined in the plan.

## **Substantial Amendment to the Consolidated Plan 2008 Action Plan for the Homelessness Prevention and Rapid Re-Housing Program (HPRP)**

Grantees eligible to receive funds under the Homelessness Prevention and Rapid Re-Housing Program (HPRP) are required to complete a substantial amendment to their Consolidated Plan 2008 Action Plan. This form sets forth the required format for this substantial amendment. A completed form is due to HUD within 60 days of the publication of the HUD HPRP notice.

To aid grantees in meeting this submission deadline, the HPRP Notice reduces the requirement for a 30-day public comment period to no less than 12 calendar days for this substantial amendment. With this exception, HPRP grantees are required to follow their Consolidated Plan's citizen participation process, including consultation with the Continuum of Care (CoC) in the appropriate jurisdiction(s). Grantees are also required to coordinate HPRP activities with the CoC's strategies for homeless prevention and ending homelessness. To maximize transparency, HUD strongly recommends that each grantee post its substantial amendment materials on the grantee's official website as the materials are developed.

A complete submission contains the following three documents:

- 1) A signed and dated SF-424,
- 2) A completed form HUD-40119 (this form), and
- 3) Signed and dated General Consolidated Plan and HPRP certifications.

For additional information regarding the HPRP program, visit the HUD Homelessness Resource Exchange ([www.hudhre.info](http://www.hudhre.info)). This site will be regularly updated to include HPRP resources developed by HUD and its technical assistance providers.

**Substantial Amendment to the Consolidated Plan 2008 Action Plan for the Homelessness Prevention and Rapid Re-Housing Program (HPRP)**

**B. Citizen Participation and Public Comment**

1. Briefly describe how the grantee followed its citizen participation plan regarding this proposed substantial amendment (limit 250 words).

Response: The proposed substantial amendment to the 2008/2009 HUD Annual Action Plan for the use of funding allocated to the City of Riverside for the Homeless Prevention and Rapid Re-housing Program was released for public comment and review for a 12-day period beginning on April 30, 2009. Notice of availability of the proposed substantial amendment for public comment and review was published in The Press Enterprise on April 30, 2009. In addition, a copy of the proposed substantial amendment was posted on the City's website. A final opportunity for public comment occurred as the HPRP Substantial Amendment came before the Riverside City Council for consideration and adoption on Tuesday, May 12, 2009.

2. Provide the appropriate response regarding this substantial amendment by checking one of the following options:

- Grantee did not receive public comments.
- Grantee received and accepted all public comments.
- Grantee received public comments and did not accept one or more of the comments.

3. Provide a summary of the public comments regarding this substantial amendment. Include a summary of any comments or views not accepted and the reasons for non-acceptance.

Response: (To be completed following the public comment period)

**C. Distribution and Administration of Funds**

Reminder: The HPRP grant will be made by means of a grant agreement executed by HUD and the grantee. The three-year deadline to expend funds begins when HUD signs the grant agreement. Grantees should ensure that sufficient planning is in place to begin to expend funds shortly after grant agreement.

1. Check the process(es) that the grantee plans to use to select subgrantees. Note that a subgrantee is defined as the organization to which the grantee provides HPRP funds.

- Competitive Process
- Formula Allocation
- Other (Specify: City to subcontract with Housing Authority of the County of Riverside for expansion of the existing homeless prevention and rapid re-housing initiative)

**Substantial Amendment to the Consolidated Plan 2008 Action Plan for the  
Homelessness Prevention and Rapid Re-Housing Program (HPRP)**

2. Briefly describe the process(es) indicated in question 1 above (limit 250 words).

Response: Funding provided to the City of Riverside under the HPRP grant shall be used to expand the City's existing homeless prevention and rapid re-housing initiative. The City currently subcontracts with the Housing Authority of the County of Riverside (HACR) to operate our Housing First/Tenant-Based Rental Assistance (HF/TBRA) initiative. The City will subcontract with HACR to expand operations of the HF/TBRA initiative with HPRP funding for additional financial assistance and housing relocation and stabilization services. Following the initial phase of project development under the expanded HPRP initiative, the City may release a request for proposals to engage additional subcontractors for housing relocation and stabilization services as warranted.

3. Briefly describe the process the grantee plans to use, once HUD signs the grant agreement, to allocate funds available to subgrantees by September 30, 2009, as required by the HPRP Notice (limit 250 words).

Response: City staff will seek approval of the HPRP Substantial Amendment as well as authorization to allocate HPRP funding and enter into a supplemental agreement with HACR to expand operations of the HF/TBRA initiative at the May 12, 2009 meeting of the Riverside City Council. Staff will begin the process of developing and routing the supplemental agreement with HACR immediately following City Council approval. The subcontract agreement will be executed immediately upon receipt of the grantee agreement with HUD.

4. Describe the grantee's plan for ensuring the effective and timely use of HPRP grant funds on eligible activities, as outlined in the HPRP Notice. Include a description of how the grantee plans to oversee and monitor the administration and use of its own HPRP funds, as well as those used by its subgrantees (limit 500 words).

Response: The City of Riverside will work in close partnership with the Housing Authority to ensure the effective and timely use of HPRP grant funds on eligible activities. With the HF/TBRA initiative, many key mechanisms and instruments are already in place to support timely and effective implementation of expanded activities with HPRP funding. Both organizations have extensive experience in the implementation and administration of HUD funded programs.

The City will work with HACR and our Riverside Homeless Care Network partners within the local continuum of care to develop a comprehensive plan for expanding the HF/TBRA initiative including specific timeframes, milestones, and performance outcomes. This plan will include leveraging County HPRP funds which the Economic Development Agency is proposing to allocate to HACR to expand upon the City's HF/TBRA initiative and replicate it county-wide. The plan will include operating the HF/TBRA from a centralized service location, establishing a well-coordinated, community-wide system for accessing HPRP funded assistance and services and creating a uniform process for determining who will receive assistance and what kinds of assistance they will receive.

## **Substantial Amendment to the Consolidated Plan 2008 Action Plan for the Homelessness Prevention and Rapid Re-Housing Program (HPRP)**

The expanded HF/TBRA initiative will include new or increased activities in the following areas:

### **Financial Assistance**

- Flexible Financial Assistance including payment of rental arrears, utility assistance, moving costs, security deposits, and motel/hotel vouchers (only when rental housing has been identified but is not immediately available for move-in).
- Temporary Tenant-Based Rental Assistance to facilitate housing stability for eligible households including short-term (1-3 months) and medium-term (4-18 months) rental subsidies.

### **Housing Relocation and Stabilization**

- Community Outreach and Education - to promote availability of resources and help identify people in target populations most at-risk.
- Homeless Risk/Housing Barrier Screening and Assessment - to assess household risk of homelessness, strengths and barriers to stable housing, and prioritize interventions.
- Housing Identification and Placement - to identify housing opportunities, recruit landlords, help households overcome barriers to placement, assist with rental applications and lease negotiations, and conduct housing quality inspections.
- Housing Case Management - to facilitate housing stability through transitional support including development of Housing Self-Sufficiency Plans, life skills counseling, maintaining tenant/landlord relations, and supportive service linkage.
- Supportive Service Coordination - to facilitate linkage to community-based services to support housing stability including employment assistance, mainstream benefits, behavioral health, medical care, and child support services.

### **Data Collection and Evaluation**

- Data Collection and Evaluation - to facilitate the collection, reporting and evaluation of performance outcome measurements and linkage to the county Homeless Management Information System (HMIS).

The City's Development Department, Housing and Neighborhoods Division will be responsible for program oversight and monitoring the administration and use of HPRP funds. The Division is responsible for the administration of all HUD Entitlement program funding allocated to the City. The Division includes a Project Manager for homeless services who will have chief responsibility for overseeing implementation and administration of the HPRP funds. Division staff will conduct standard grant monitoring practices and procedures for HUD funded programs as outlined in the City's Consolidated Plan and the City's Federal Grant Monitoring protocols.

### **D. Collaboration**

1. Briefly describe how the grantee plans to collaborate with the local agencies that can serve similar target populations, which received funds under the American

## **Substantial Amendment to the Consolidated Plan 2008 Action Plan for the Homelessness Prevention and Rapid Re-Housing Program (HPRP)**

Recovery and Reinvestment Act of 2009 from other Federal agencies, including the U.S. Departments of Education, Health and Human Services, Homeland Security, and Labor (limit 250 words).

Response: The City is committed to effectively leveraging the range of ARRA funding to maximize the use of available resources to assist our most vulnerable residents in need. Local agencies receiving ARRA funding are active participants in the collaborative efforts facilitated through the Riverside Homeless Care Network. The City will work in partnership with these agencies to establish a coordinated system and uniform process for determining who will receive assistance and what kinds of assistance they will receive. Staff working under the HPRP initiative as well as collaborating agencies will be trained to screen clients for eligibility for the range of resources available and provided with uniform tools to help determine the most appropriate service connections. This will include collaboration with:

- The County Economic Development Agency which plans to allocate its HPRP funding to the Housing Authority to expand and replicate the HF/TBRA initiative model;
- The County Department of Public Social Services which administers mainstream benefits programs and will receive ARRA funding and additional resources through the Temporary Assistance for Needy Families (TANF), Supplemental Nutrition Assistance Program (SNAP), Women, Infants and Children (WIC) and Emergency Food and Shelter (EFSP) programs;
- Riverside Unified School District and the County Office of Education which will receive ARRA funding through the Education and Homeless Children and Youth Initiative as well as help identify targeted households through the district homeless programs;
- The County EDA Workforce Development Center which will receive ARRA funding for a range of employment training and development services.

2. Briefly describe how the grantee plans to collaborate with appropriate Continuum(s) of Care and mainstream resources regarding HPRP activities (limit 250 words).

Response: The City of Riverside convenes the Riverside Homeless Care Network (Network) which serves as a vehicle to facilitate effective communication, coordination, and collaboration among continuum of care service providers. Over 50 organizations, including nonprofit service providers, municipal service agencies, health care providers, education institutions, law enforcement, and faith-based institutions, participate regularly in monthly meetings and other Network activities. The Network facilitates client service coordination, forges new collaborative partnerships and collaborates on special activities such as the City's annual Project Homeless Connect event. Network partners are also working together on the development of a one-stop multi-service access center which will eventually house the HF/TBRA program.

## **Substantial Amendment to the Consolidated Plan 2008 Action Plan for the Homelessness Prevention and Rapid Re-Housing Program (HPRP)**

Over the last year, the Network has focused on incorporating “Housing First” principals into all aspects of our local continuum of care. The City will utilize the Network as a central vehicle for building a strong partnership around the HPRP initiative. Network partners will play an active role in the development and implementation of the HPRP initiative including establishing a coordinated system and uniform process for determining appropriate service interventions, and community-wide performance outcome measurements including data collection, reporting and evaluation tools coordinated through the countywide HMIS system. Network partners will assist with identifying target populations and eligible households, providing case management and coordinating supportive services. The City will also work with our partners to strengthen and streamline access to mainstream benefits including use of federal resources such as the “First Step” benefits eligibility tool, the SSI “CHOICE” program and the VA HOPE and VASH programs.

3. Briefly describe how HPRP grant funds for financial assistance and housing relocation/stabilization services will be used in a manner that is consistent with the grantee’s Consolidated Plan (limit 250 words).

Response: The City of Riverside will use HPRP grant funds for financial assistance and housing relocation/stabilization services in a manner consistent with the City’s 2005-2010 Consolidated Plan and 2008/2009 Annual Action Plan. The 2008/2009 Annual Action Plan includes the following provision:

“The City will continue to focus attention and resources on efforts to prevent individuals and families from becoming homeless in the first place. Activities over the next year focused on those at-risk of becoming homeless will include:

- On going support for the implementation of the Tenant-Based Rental Assistance program providing resources to assist with rental assistance payments and case management services”

Other HPRP funded activities and services consistent with the Consolidated Plan and Annual Action Plan include:

- provisions to establish a centralized location and coordinated system for providing homeless assistance and prevention services through a “one-stop” service model;
- provisions to incorporate the “Housing First” approach into the local continuum of care;
- provisions to assist homeless persons make the transition to permanent housing and independent living including housing needs assessment, flexible financial assistance, housing placement assistance, rental subsidies and case management services;
- provisions to create more permanent affordable housing opportunities including flexible financial assistance, housing identification and placement services, rental subsidies and appropriate case management.
