§302(c)(4) Plan													Rev. 2/26/20		
§302(c)(4)(A) Describe the manner in which allocated funds will be used for eligible activities.															
<p>The City will primarily utilize its PLHA funds to make low interest loans to housing developers to facilitate the construction of affordable housing projects in the first year, and (beginning in year 2) will split funds between new affordable housing development, and operational costs related to a bridge housing facility for homeless individuals. All loans and benefits from land transactions will be protected by deeds or trust, affordability covenants, and notices of affordability that will be recorded against land title for a term of 55-years. The bridge housing project (2881 Hulen Place) will house approximately 45 homeless individuals until they can graduate into permanent housing.</p>															
§302(c)(4)(B) Provide a description of the way the Local government will prioritize investments that increase the supply of housing for households with incomes at or below 60 percent of Area Median Income (AMI).															
<p>First Priority - The City of Riverside has a 2018 approved Housing First Strategy (https://www.riversideca.gov/sites/default/files/ohs/pdf/Housing%20First%20Plan%20CC%20Approval.pdf) which mandates that the City to complete the construction of 400 scattered-site Permanent Supportive Housing in all Wards of the City within 10 years to meet the need of affordable housing coupled with case management. These units will be reserved by legal covenant for persons earning at-or-below 60% of AMI. The Plan also calls for the City to fund transitional housing for persons experiencing homelessness. Second Priority - Meeting housing and homeless needs identified in the City's approved Consolidated Plan for Federal Funding and Annual Action Plan. Third Priority - The City has a mandate under its Housing Element Regional Housing Needs Allocation to produce approximately 8,283 units of housing (Mid-Cycle Update) of which 3,338 are low and very low income units. There is significant overlap in unit production elements from the plans listed above. Fourth Priority - Meeting the needs of current antidisplacement plans and/or unit replacement plans under the federal Uniform Relocation Act.</p>															
§302(c)(4)(C) Provide a description of how the Plan is consistent with the programs set forth in the Local Government's Housing Element.															
<p>From Housing Element Mid-Cycle Update: Plans for use of PLHA funds will assist the City to meet the following Housing Element activities: Continue to seek new partnerships with nonprofit developers and continue on with existing partnerships to assist in the development of affordable housing projects for extremely low- to low-income households (Tool H-15); Generate Creative Sources of Senior Housing Financing (Tool H-38); and seek additional partnerships with service organizations to provide supportive housing for residents (Tool H-39).</p>
