Riverside to Host Grand Opening of Arlington Pickleball Complex Dec. 13

RIVERSIDE, Calif. – The City of Riverside Parks, Recreation and Community Services Department (PRCSD) invites the community to celebrate the grand opening of the Arlington Pickleball Complex at 10 a.m. on Saturday, Dec. 13.

Located at Arlington Park, the new complex marks a major milestone in expanding recreation opportunities for residents of all ages. The facility is part of the City's growing network of pickleball courts, creating more access to one of the nation's fastest-growing sports.

Attendees are encouraged to stay after the ribbon-cutting for organized pickleball play facilitated by PRCSD and a guided tour of the Bourns Family Youth Innovation Center located onsite.

This event is free and open to the public, with light refreshments and community engagement opportunities provided.
